A MESSAGE FROM THE PRESIDENT...

GOODYEAR COTTAGE
IS BEGINNING TO COME ALIVE AGAIN WITH ACTIVITY

Our shop and gallery have been open for visitors and artwork has been selling well for our members.

January: $6,380
February: $14,799
March to date: $13,308

The Pottery Guild met, and we hear the sounds of people laughing and clay being worked. The Cottage Weavers also held their first meeting and are busy moving looms and preparing to get together again to weave at Goodyear. The knitters will meet again on Wednesday afternoons at 1:00 PM on the second floor and invite others to join them.

It is wonderful here on Jekyll Island to see the magnificent azaleas in bloom and to begin to get back to normal.

FROM THE GOODYEAR LIBRARY

Framing and matting your artwork can be an expensive undertaking. It is possible to do it yourself if you are so inclined and it can be an added attraction to showcasing your art. You might even want to turn your new hobby into a side business and frame for others.

Here are a few books available at the Goodyear library to get you started.

Technical Committee Needs Help

This last month we had a couple of issues with our computer equipment that supports shop sales. The hard drive for the computer, that the shop management team uses, died and a new computer had to be purchased and installed. Once that was accomplished, we ran into a problem with the new computer not printing the labels used for all shop items. This second problem turned out to be caused by a Microsoft software update. While doing the activities needed to get everything back up and running it became clear that the Technical Committee needs an additional individual who is familiar with computers in general and specifically, computers running the Windows Operation System.

As each of us start feeling comfortable with the idea of traveling once again, it will become increasingly important that we have multiple individuals, familiar with our systems, available to step in when necessary. If you are interested, please contact Craig Patterson at cjpdlp@bellsouth.net.

Amazing and resourceful things are happening all around, in spite of the Covid-19 Pandemic. For example, the volunteers who serve meals every day, year-round at the Manna House in Brunswick have not missed a day. They serve ‘meals to go’ each day to around 270 people!

Another example is the overwhelming success of the ‘The Modified Fund Raiser for the Manna House’ held on March 16, 2021, at the Baptist Chapel. Everything worked beautifully. The large room at the Chapel was ideal for spacing tables so it was easy for people to be socially distant. All two hundred tickets were sold. Masked people drifted in at the appropriate shifts, as indicated on their tickets. Everyone seemed to thoroughly enjoy being at the event and there was much enthusiasm for the gorgeous pieces of pottery all made - and donated by members of the Jekyll Island Pottery Guild. The good news is that, as a result of the ticket sales and many individual generous donations, $4,500 was raised to support Manna house.

Kudos to the team who worked at the event: Janice and Jim Talada, Norm and Lesley Hughes, Carla Price, Shirley and Dave Palmer, and Tim and Gretchen Sharlow. Special thanks must go to Shirley and Dave. Shirley designed and had the tickets printed and Dave worked tirelessly distributing tickets. Plus, because they were so at home at the Chapel, with their help, the work of setting up was almost effortless.

Of course none of this could have happened without the work of the many potters who designed and donated over 200 pieces of pottery. All this in spite of the Pandemic.
